
I am the eagle, I live in the high country
In rocky cathedrals that reach to the sky

. . . . . .

Come dance with the west wind and touch on the mountain tops
Sail o'er the canyons and up to the stars
And reach for the heavens and hope for the future
And all that we can be and not what we are.

HOMECOMING CANDIDATES 1972

Pat Andrade, Kathy Baker, Janese Fortner, Lynn Goldhammer, Linda Graham, Alice Hall, Bridget Hamanaka, Kelly Hanson, Leslie Hanson, Nancy Hawk, Terri Hogan, Becky Jordan, Sue Keppel, Cindy Lowery, Therese McNally, Margie Mastro, Donna Nardizzi, Cindy Reames, Linda Schloo, Karen Seymour, Carol Swecker, Mary Tucker (not shown), Carol Turk, Barbara Waters, Patsy Wells, Connie Wheeler.

For all of the seniors, both boys and girls, Homecoming is a very big event at Eagle Rock. From all of the senior girls in the Emendati class only five could be chosen as Queen and Princesses. However, first the senior boys voted to narrow the field to twenty-six candidates. . .

From these twenty-six came. . .

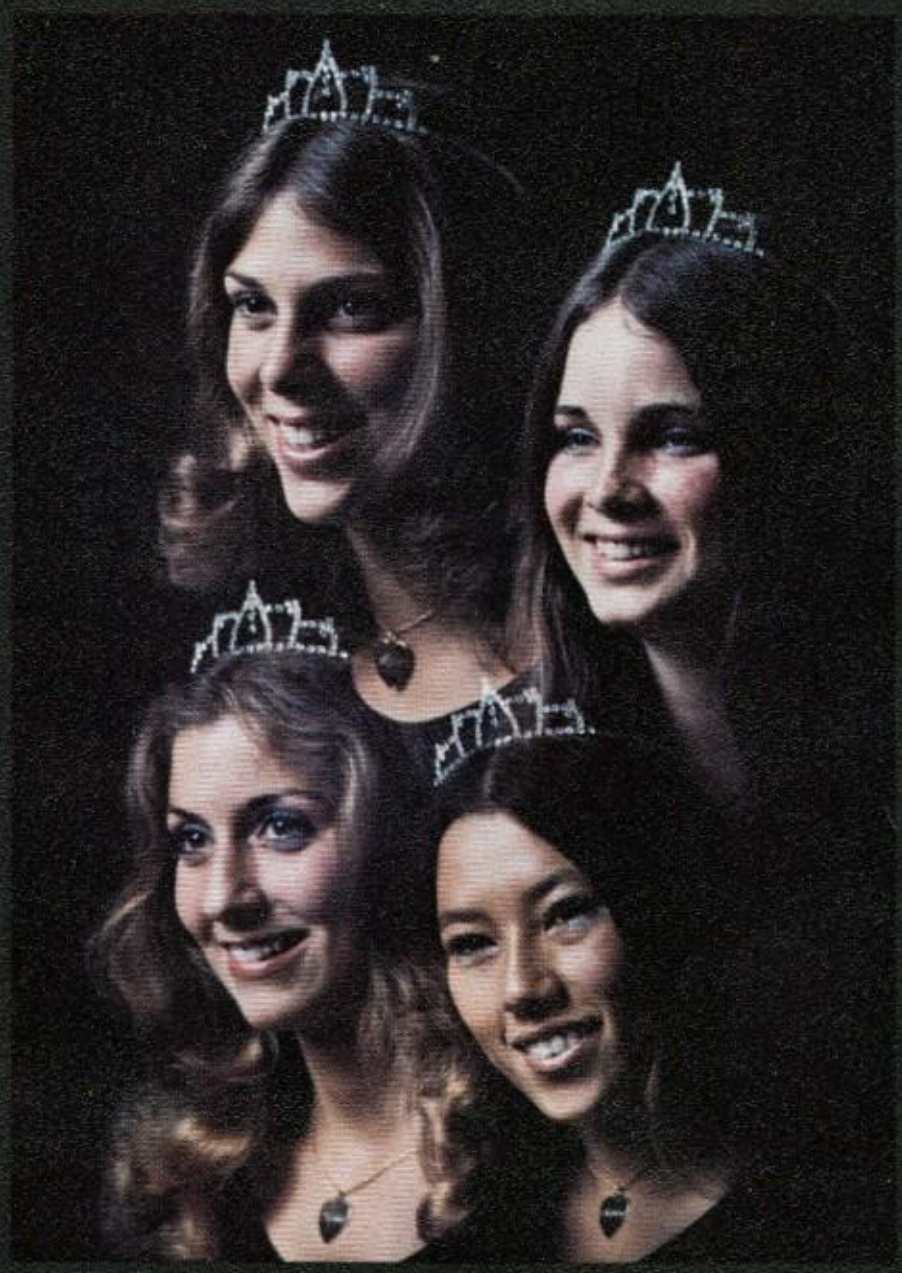
Homecoming '73

At 7:30 on the evening of Oct. 27, 1972, in the beautiful Pasadena Rose Bowl, Eagle Rock High School held its homecoming game against Franklin.

The crowd cheering the team on was made up of students, drill team, band members, pep club, alumni, faculty and administrators.

Presiding over the game as Queen was lovely Miss Patsy Wells, the five foot two, blue eyed Queen chosen by the Eagle Rock senior boys.

Queen Patsy and her court arrived to the strains of "Pomp and Circumstance" in four new M. G.'s. A beautiful procession for a beautiful court.



Also Presiding over the game were four lovely Princesses; First princess was Miss Barbara Waters; Second princess, Miss Lynda Graham; Third princess, Miss Lynn Goldhammer; and fourth princess, Miss Leslie Hanson.

All four Princesses were escorted by their fathers to the field where they were crowned by four chosen football players. The court was then escorted by the Eagle Knights back to their seats where they watched the game.

Blithe

The Fall production by Mr. Craig's Drama Department was Noel Coward's play, BLITHE SPIRIT. The smash comedy hit tells how novelist Charles Condomine invites into his quiet country home an eccentric spiritual medium, Madame Arcati. The seance summons back Charles' first wife, Elvira, now "passed over" for seven years. But the ghostly lady, still handsome, still mischievous, has a ghostly plot in mind: if she can get Charles into an automobile accident and make a ghost of him life in the spirit world will be so much more fun for her. However, mistakes occur and the comedy gets funnier and funnier.

CAST: Mary Lou Lamon is Elvira; Jean Gleason is Charles; Darcy Ferrer is Ruth; Kari Norgren is Madame Arcati; John Rustin is Doctor Bradman; Kathy D'Orazi is Mrs. Bradman; and the Student Director for the play is Tanya Goldin.

Spirit

Activities

happen

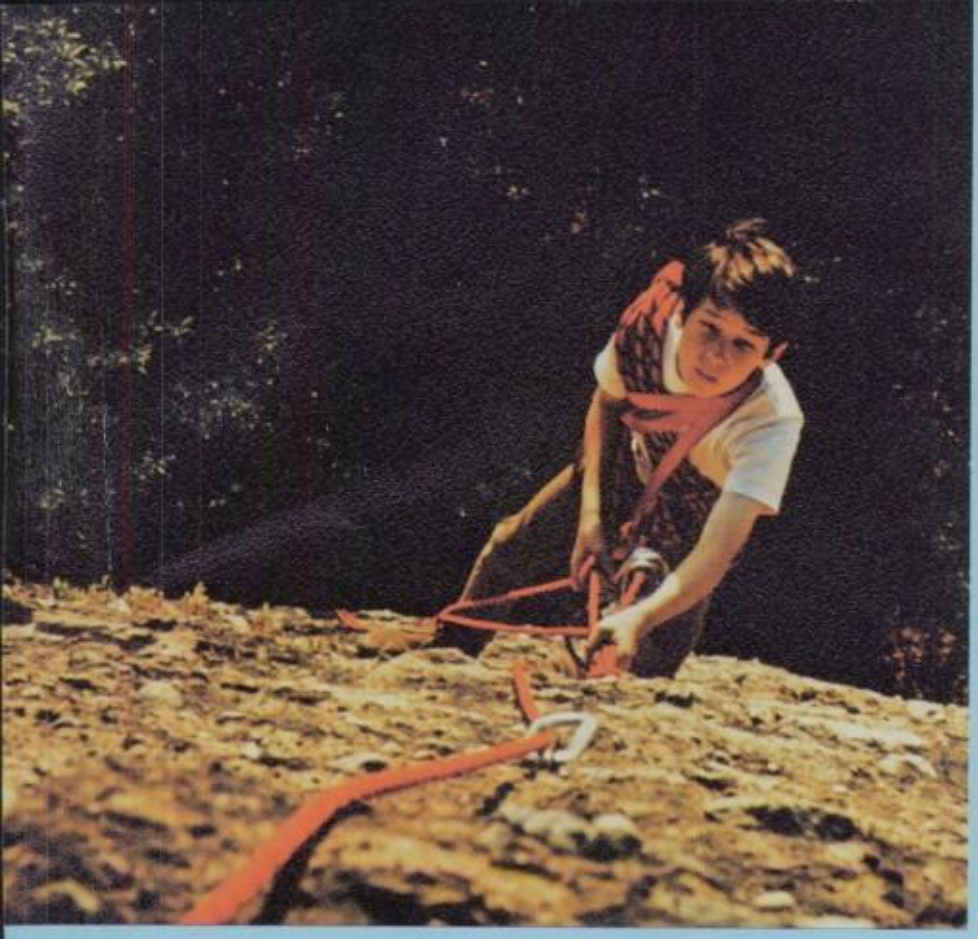
in and out of school,

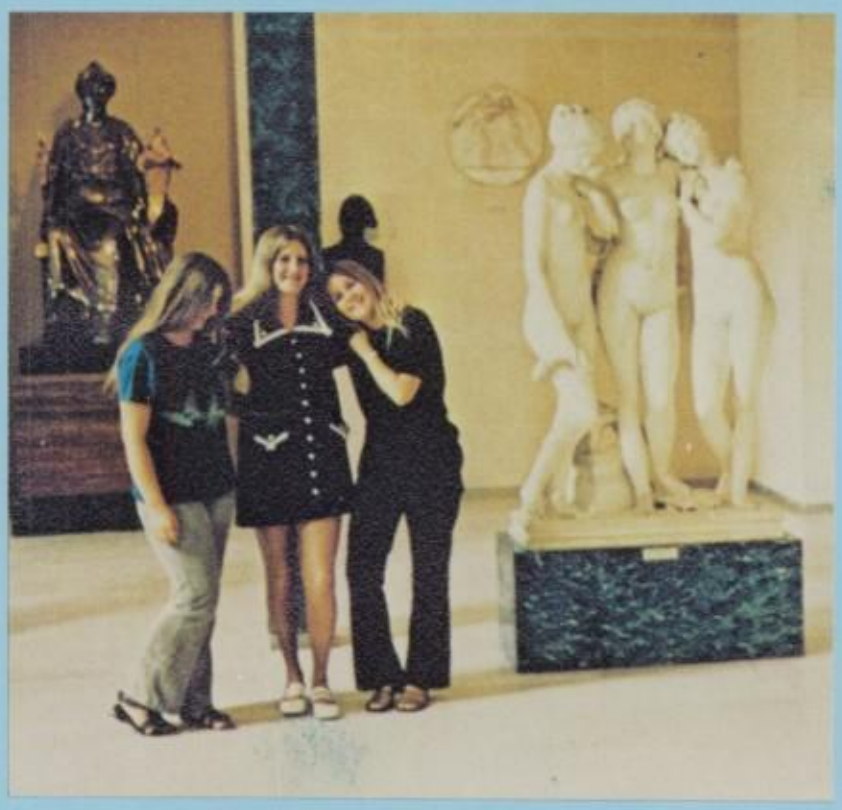
and for the first time in school at Eagle Rock high we have a Reading Lab taught by Mrs. Petitto. The idea behind the lab is to permit students to work at their own individual speeds with help from the reading teachers and teaching assistants to improve their reading ability.

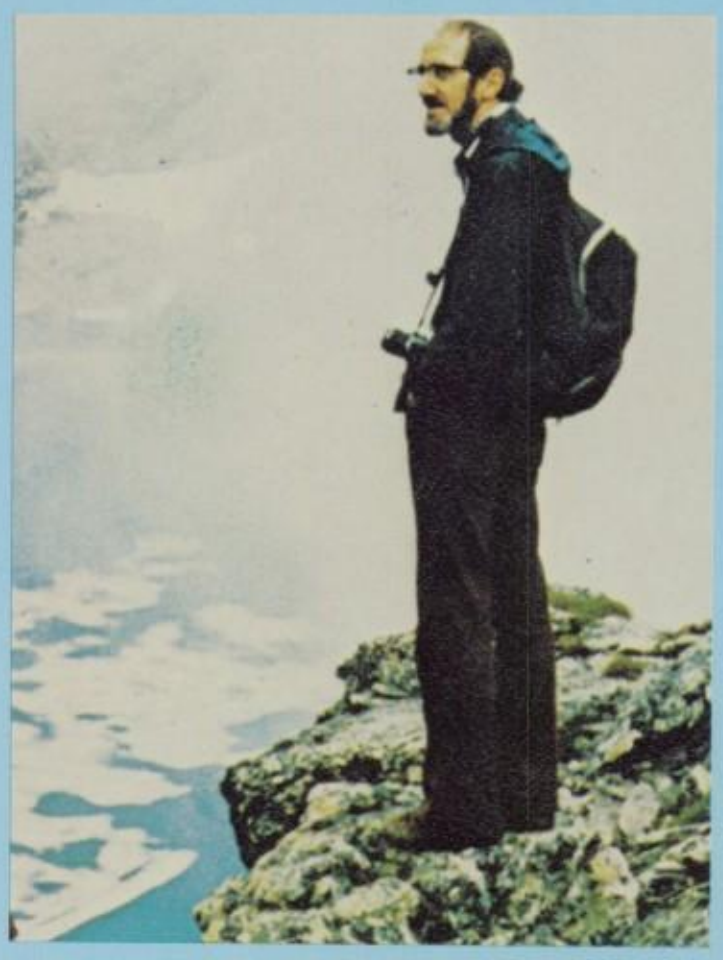
Also, in school Mrs. Robinson's Modern Dance class allows the dancers to learn to express emotions and ideas through movement rather than through speech, as illustrated by the joyous leap of Karen Mitsunago.

Another "in school" activity, new at Eagle Rock is the Hospital Occupations class of Mrs. Hodgens which gives students the opportunity to train for work in the field of nursing and hospital staff. Students wanting to enter the field of medicine get actual experience working at Los Angeles hospitals. Getting away from in school work, students have fun. . . Pat Kelly enjoys mountain climbing and he especially enjoyed climbing the face of the Eagle Rock.

During this summer and definitely away from school fun was the trip to Europe that several of the Eagle Rock students enjoyed with Mr. Born. This was a fun way to receive credits toward graduation. . . to see the Swiss Alps where Mr. Born perched atop one of the peaks and enjoyed the view; and the Louvre in Paris was more fun than credit for Judy Kemple, Margo Bogdanow and Marjean Noakes. And finally, the most of in school and out of school fun must be sweater day. Sweater day when the graduating class gets to show off their new colors and emblems in addition to getting a great day away from school at Disneyland.







Gigi,
Some people
are nice and some
people are weird, but
you both. Have a nice summer
and best of luck next year.

Love
Your friend,
Rose Ann

you next year

1972 - 73 Basketball Season

Our basketball teams fared very well in Northern League action this year. The Bee Team won the league title, the Varsity finished second, the Junior Varsity was third, while the Cee's were fourth.

The Varsity team won their first seven league contests, but a poor finish cost them the title and they were defeated in the City Playoffs by the eventual City Champion, Crenshaw High. Highlights of the season included defeating Marshall twice, a second straight successful Christmas Tournament, and producing both the league's top scorer and rebounder.

Coach Lomen's Varsity and J.V. teams possessed five all league players: Fernando Mejia, Mike Carter, Mickey Sleigh, Wesley Stone, and Jimmy Cisneros. Coach Rowland's Bee and Cee teams had Howard Doll, Harley Wing, Eddie Woodworth, Doug Christ, Dave Hawkins, and Eddie Gerpe.

The Varsity cross - country team split their season losing three and winning three, defeating Polytechnic, Bell, and Franklin High. All meets, including J.V. and 10th grade were run at Pierce College over a two mile course. The scoring is done just the opposite of most sports in that 1st place receives one point, 2nd place receives two points, 3rd place, three points, and so on. Thus, the winning team is the one which ends up with the lowest number of points.

10th Grade

The J.V. team did not fare as well in league competition as hoped. However, they did win against Bell High School.

The 10th grade cross - country team did much better in their meets, winning 5 of 6 league meets, losing only to Wilson High. In the all - league meet, the 10th grade team placed second, missing first place by only one point. Also, they participated in the East Los Angeles College Invitational, held at Legg Lake, taking 1st place. Art Covarrubias highlighted his great season by breaking an old school record by over 10 seconds.

The 1973 Varsity, led by the outstanding play of Junior, Ben Taylar, is one of the contenders for the Northern League Crown. The Eagles are the defending champions, but must get steady play from the many Sophomores and Juniors to repeat. Dan Sailors is the only Senior.

The Tennis Team on the firing line.

The J.V.s are very young but talented. They are expected to capture the Northern League Championship. The young Eagles improve with every match. Eagle Rock Tennis seems secure for the next several years as they prepare for the future.

They are alive and well somewhere,
The smallest sprout shows there is really no death,
And if ever there was it led forward life, and does not
wait at the end to arrest it,
And ceas'd the moment life appear'd.
All goes onward and outward, nothing collapses,
And to die is different from what any one supposed,
and luckier.

Would you look at that poor guy!

Is that guy staring at us?

But she and Death, acquainted,
Meet tranquilly as friends,
Salute and pass without a hint-
And there the matter ends.

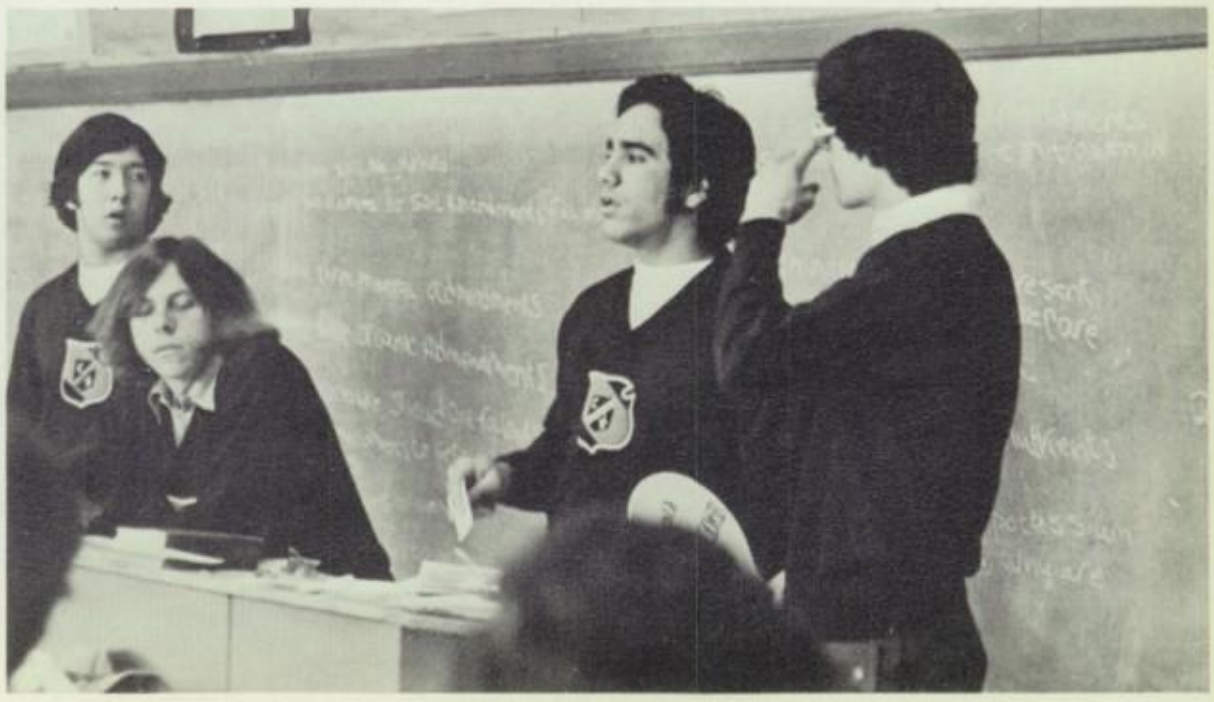
Clubs in action. . .



Keyettes

From the oldest service club at Eagle Rock High School has come the newest of our service clubs. The newly formed Keyettes is the dream of all the hard-working girls who, for several semesters now, have been a part of the oldest service club on campus — the Key Club. From a girls' association of the boys' Key Club these young ladies have gone on to build a strong, independent group dedicated to serving the school and the Eagle Rock community. They have already sponsored "Crazy Hat Day" on campus, and they have marched to raise funds on campus and in the community for the March of Dimes. And now these industrious young ladies are looking for more jobs to tackle. In the mean-time their sponsor, Miss Hudson is working just as hard as the girls to make Keyettes a vital growing part of Eagle Rock.

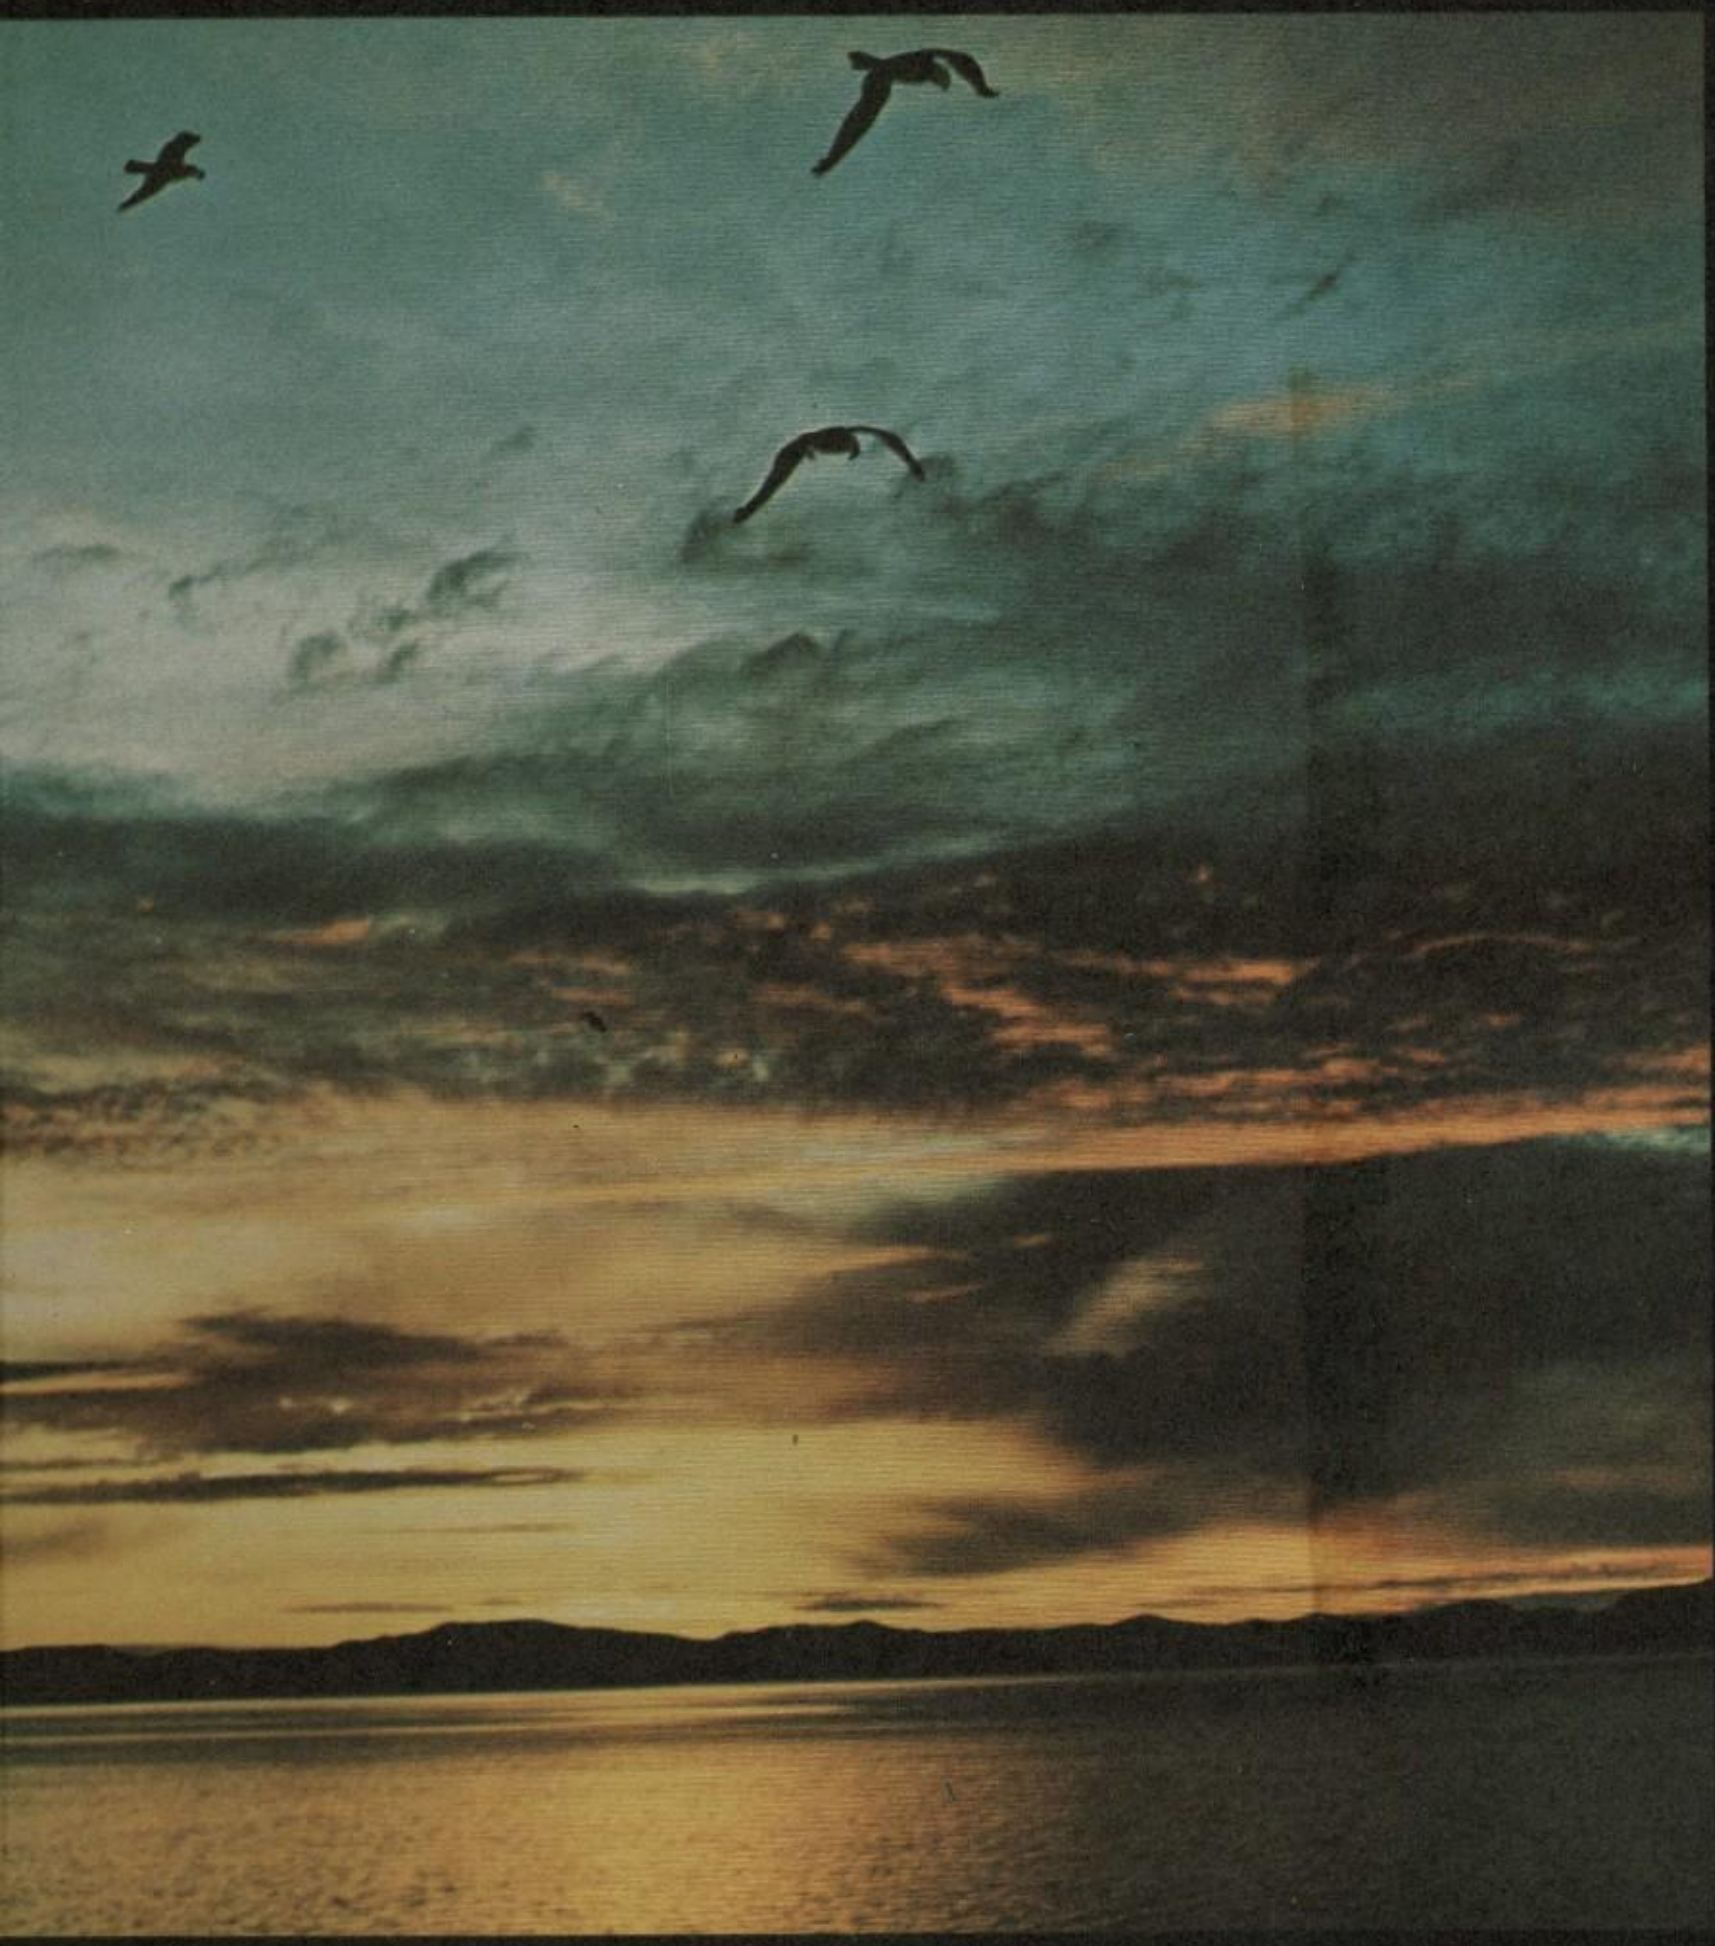
Summer Break



I am the eagle, I live in the high country
In rocky cathedrals that reach to the sky

. . . . . .

Come dance with the west wind and touch on the mountain tops
Sail o'er the canyons and up to the stars
And reach for the heavens and hope for the future
And all that we can be and not what we are.
